

The screenshot shows a software window titled "Global Engineering SOW Generation". Inside the window, there is a text area with the instruction: "Create a new SOW or upload from the DRAFT SOWs. You can also upload the existing project's information into this SOW." Below this text area, there are two radio button options: "New SOW" (labeled 102) and "Select From Existing SOWs" (labeled 104). The "New SOW" option is selected. To the right of these options is a "Cancel" button. Below the radio buttons, there is a "Submit" button (labeled 106). The entire form is enclosed in a rectangular frame with a title bar at the top.

The image shows a software application window with a title bar at the top. Below the title bar is a menu bar with options: File, Edit, View, and Help. The main content area is divided into two sections. The left section contains a list of test items, each with a label and a 'test test' button. The items are: 6.0 SCHEDULE, 7.0 INPUT DATA, 8.0 COMMUNICATION, 9.0 PROJECT KEY CONTACTS, and 10.0 APPENDICES. The right section contains two buttons: 'Save SOW Information' and 'Go to Previous Page'. A bracket labeled '402' points to the list of test items. A bracket labeled '400' points to the right section of the window.

Test Item	Action
6.0 SCHEDULE:	test test
7.0 INPUT DATA:	test test
8.0 COMMUNICATION:	test test
9.0 PROJECT KEY CONTACTS:	test test
10.0 APPENDICES:	test test
